“ Hey Alec man it's been years since I saw you man. Keep watching us down here as you are hand to hand with God. We will keep you in our prayers and may your soul live on and on man.

“ I will always love you my king. We fought but oh baby did we love. I miss you every day more and more and visit you every time I get a chance. Your birthday would have been crazy fun my love. I wish somehow you could be brought back to me. Our babies miss you.. Bailey has gotten so big! You are always going to be in my heart & I know right by my side until someday.. Yeah someday.. No matter how long it is... We will be together again. Rest in peace and paradise my angel. I'm so glad I got the chance to wake up to you everyday for almost a year before God called you home. Say hi to your dad for me.

“ Baby I miss you every day more and I visit you whenever I can. It's still unreal and I'd give anything to bring you back. I know you're with your dad say hi for me. I miss your crooked smile, I know we fought but oh baby did we love. You're always in my heart and by my side until someday ...yeah.. someday we will be together again. Our babies miss you, bailey has gotten so big! And I'm grateful that I got to spend every day waking up next to you for the past year before God called you home way to soon. I love you and miss you my angel. There is and was no one that meant as much as you did to me.

“ Alec, you have no idea how many lives you touched. You came into my life and touched my heart. Always there for me, rescuing me on my graduation night. Because of you I had a great night. We have more memories but that night will always be close to my heart. I miss you so much but I know you are up there looking down on me. I love you and I hope you are having a time of your life with your dad. You will forever be in my heart. Rest in peace, we will be reunited again some day

“ Alec, man. I miss you so much. You were just such an awesome friend. Im so sorry I missed your funeral. Ill come and visit you saturday... I love you so much buddie. You were always like anolder brother to me and just my best friend. Alec, we will all miss you dearly. Ill never forget the day you held my hand so tight, and we screamed Luke Bryans song "Play it again" to the top of our lungs and then just had the greatest laugh after that. I miss the times when you would always pick me up from school just to see me and just to talk and hangout. Im going to miss you like hell, my twinkie buddie. Have fun in heaven. Ill see you soon. Love you bro. ❤️❤️
