“ My Auntie Alice was a great lady. Always smiling and laughing and caring for everyone in her family. She always made a person feel special. I will miss her very much.

“ Auntie Alice, you have to be the sweetest woman in earth that I have ever known. This is the part of you that I will carry on with me for the rest of my days. Although the times have changed and life can be hard, I am you under the hard shell that protects me from the turmoil of the world. I love you for being that woman always! Thank you for all your kindness, love, and the special feeling you always shared with me whenever you held my hand and talked with me.
