“ Claire Jones and myself had been Arthea,s co worker and friends we enjoyed her sense of humor and her willingness to help others. She was a hardworking person who goes beyond her limitations many times. Her concern for others is her greatest strength. We will surely miss her a lot God Bless and keep you and your children and grandchildren 🙏🙏

“ I work with Arthea for many years at Kaiser Permanente Medical Center at 2 West and AOU she was my charge nurse and she was a great hard worker I've ever met she went way beyond her efforts to do an excellent job to her peers and patients Arthea will even help our patients herself to give a great care. After she retired, Claire and I were going out with her for lunch and even visited her to her house in Fontana . We took her on a 3 day cruise and she loves it enjoyed it so much . Those memories will linger in my mind because she was a great friend, God Bless and keep Her and to her Daughter Amy and her Son we will surely missed your Mom she always thinks you bothe and her granddaughter. ❤️❤️❤️🙏🙏🙏
