“ Dear Steve, I am so sorry for your loss, remember in the coming days and the midnight hour God will continue to hold your hand, trust him he will take care of you.

“ May God be with Stephen and the family during this bereavement period. I viewed Barbara as a good friend who was full of life, caring and laughter. She was always looking out for the "least of these" to help along the way. She will be missed in the physical state but I know in the spiritual state she will continue to be with us. Barbara Jean, I'll see you on the other side one day.
