“ I'm so sorry Sharon, that you lost your best friend and husband. What a wonderful man he was and funny too. I remember when I was still in High School, Ben and family lived right around the corner from us and he was always tinkering with motorcycles back then. Also I remember when I worked for him years later, at the plumbing shop and his aunt called him and she couldn't see if she had the right number or not and it was hilarious what she said on the answering machine. Ben & I laughed and laughed. He was a VERY generous man who would help anyone at any time. I remember all the neat old cars he had. It was wonderful knowing him. Your friend

“ Having Ben as a friend has been a delight. The myriad reptile and birdie adventures were always keeping us busy. Ben, you are in charge now of keeping the weather here reasonable and all the goldfinches in line. I am honored to have known you.

“ It is so sad you had to leave us so soon. I have great memories and you will be missed. When I think of you and Sharon have been married for 40 years it makes one wonder where did the time go. Love you and I believe we will all be together again someday.
