“ *I just now learned of Mike's passing and I am so sorry dear friend. Please give my condolences to all the family and especially to you, Boyd and Jeanette. A little update on my side of the road. I had a mastectomy in November and just recently a CAT scan revealed that I am cancer free. Our Michaels's and his wife Joanie's daughter Kristen had a baby boy on May 1st and his name is Michael. I love your family and am sending hugs and love to all. With sorrow,
Jenean 🥹💔*

“ I was so very sorry to hear of Michaels passing. We were cousins and I have some great memories of time spent on family vacations to California - their house was so full of rambunctious activity and laughter and big love. I wish I could have known him better as we got older but I'll always be thankful we got together at a family reunion at my home in Payson, AZ some years back. It means so much now especially. My heart goes out to his whole family. May he rest in peace and may God comfort those who loved him so very much
