“ *Brother A person who is there when you need him; someone who picks you up when you fall; a person who sticks up for you when no one else will. A brother is always your friend. Calvin, I was so Blessed to have you for my brother. Hugs and kisses Frances*

“ *To the Family: Life is like a mist. Its here today and gone tomorrow. The joyful memories are still here for you to cherish. Continue to stay close and pray for each other to give comfort, along with heartfelt prayers and loving support from friends to give your hearts enough room to cope with your loss. (Psalms 119:32)*
