“ Our cousin Charlie was a very thoughtful person. Charlie kept in touch with his Aunts, Uncles, Cousins, and friends in Nebraska and was interested in knowing what was going on with our families. Charlie was proud to call himself a "South Omaha Boy" and supported his South High School alumni. Charlie loved Nebraska football and volleyball and we enjoyed texting during games cheering on the Big Red! Charlie always thought of us on Holidays and special occasions sending nothing but love and good wishes. Charlie would visit Omaha on many occasions to visit family and friends and always enjoyed our family parties. Charlie loved playing cards and watching game shows. He would make sure to send out emails to family members here letting them know of contest they could enter along with the Wheel of Fortune puzzles. Charlie was always thinking of others and praying for nothing but good things for his family.

Every Memorial Day, Fourth of July and Veterans Day we made sure he knew how proud we were of him for his service in the Marine Corps. Charlie was very proud of serving our Country and extremely patriotic in every way. Charlie would end most text or emails with Semper Fi! He remembered all the great Fourth of July picnics we had every year celebrating our Country providing all of us the freedoms we enjoy every day.

We will miss Charlie very much including his sense of humor and his thoughtful cards and emails. He had his family and his faith which helped him through many occasions during his lifetime and he was so grateful for both. I can picture Charlie in heaven playing cards and reminiscing with all our family who have gone before him and praying for each and every one of us.

Charlie was loved and will be missed every day. Rest in peace in God's hands.

“Charlie used to come and visit my parents and me often in Omaha when my parents were alive. I always looked forward to his visit. We would usually discuss Husker Football, the College World Series, or watch some game shows together. Charlie would always send me a card for birthdays and Holidays and even came to my wedding in 1998 here in Omaha. When my girls were born he continued to send cards on their birthdays and special occasions as well. He would always sign his cards to my girls as Charlie from California and that’s how they remembered him. He was always thinking of his cousins back here in Omaha. I think part of him was always a Nebraskan. He was loved and will be missed by me and my family. The picture is from when my family and I went to visit him in 2017 in Victorville. May he rest in peace. Love Bill, Marie , Kayleigh, and Allison Sander.

“ Charlie lived in Omaha for many years; grandparents, aunts, uncles, cousins mostly here. When he moved to California I think he did mostly to get out of Nebraska winters. He did come back several times for visits always had good times reminiscing. I remember a Nebraska football game he attended when son Mike was playing. It was one of those cold Nebraska fall/winter days. He froze even though he was all bundled up. He followed Husker football especially when my boys were playing. Good times but I'll never forget that day in the cold.
