I remember holding both of you as little babies. What handsome men you grew into. My heart is saddened that I never got a chance to know my nephew. My love and prayers are with him and all the family.

“ RIP Charles you will live on in our hearts forever. You were such wild child when you were little always giving your mom a run for her money. One of My favorite memories of you is when we would take you swimming with my son and your brother in grandpas pool and your mom would tell you to stay on the steps oh but you never did and of course you'd get in trouble but you would laugh about it. RIP Lil cousin
