“ David (Chile), much love and enjoy your new life in heaven. You were a great friend and thoughtful person. I'll always remember the good times. Always & Forever-Siempre, Robert Valencia.

“ Hi Uncle David , just want to say that we all love and miss you and will never forget all the good times. You were grandma lupe's twin. I'll always remember as kids going to your house and sleeping over. The one specific time I cherish is when I slept over and the next morning you walked in and we asked why you didn't sleep in the room and you said you did but I pushed you off the bed when I was asleep so you slept on the couch. I know you were kidding but ill never forget. All the times you would take us out to the fair I still always will remember. Everyone you seen us you also would give us money but you always wrote a note on the money you'd give. I love you so much thank you for everything. Heaven is so lucky to have you ❤️

“ *I met David at a local Chicago-based Restaurant, shortly after I moved from Chicago. I knew no one in the state. David quickly took interest as I sat down in my Cubs jersey. From that day on, I looked forward to seeing David's friendly, smiling face for each and every cubs game that we could catch. From David checking in, to having my fiance and I over for dinner; David was a warm, welcoming person with a heart like no other. He will be missed greatly. And if only I had Dusty Baker's phone number, I would pick up talking baseball competitively with him just where David left off. Until we meet again David. Go Cubs Go!*

“ *I will forever remember seeing you get your 20 minutes of sunshine by the pool with your mail and smoothie, after your 20 minutes of gym time. It was your everyday routine, we would miss you when I didnt see you and have you stop by the clubhouse to tell me DRINK WATER! and not CRANBERRY JUICE ... THANK YOU FOR ALL OUR TALKS... for being the BEST NEIGHBOR, Resident and most of all MY FRIEND. You will be MISSED! Love and Prayers to your kids, which there was not a day that went by that you didnt speak about them. THANK YOU FOR SHARING ALL the wonderful treat baskets with all of us at the clubhouse. So many good memories!*

“ I was at Romano's watching a Cubs game when I met David. He came up to me and offered me a cactus taco that he had taken out of his pocket. From that taco, a great friendship developed. When David was in a room, you knew it. He made the environment a better place. People smiled because David was there. It is such a rare trait. As others have said, David was a kind and generous man. He was a true friend and confidant. My family and I will miss him tremendously. Rest in Peace David.

“ Dear Suzie and family members: David was such a kind, thoughtful, helpful, pleasant person who had so much class. He always put a smile on my face, rolled out the red carpet every time I spent time with he and Suzie back in the day. I had the pleasure of meeting his children who he was so proud of. Always spoke of them with high regards. Thank you David for the beautiful memories of my time knowing you. You will always be remembered, When I visit Riverside, California it will be with great sadness. David Rest In Peace.
