“ *My dad was the best, kindest, and one of the most loving people I know. As soon as i heard that he had gotten in a car crash, i was in tears, i didn't know what to do without him. I would go with him every few weeks after he finished work, like i go with my grand parents. Luckily he didn't have his dog named akeilies, i don't how to spell the dogs name,in the car, so the dog, he is living a good life with my grandma, me, and the rest of my family. I still miss my father but i cant cry all the time, i need to be tough and not cry, only the sadness in my head, but i dont feel sad all the time,im happy and i love to be happy.*
