“ I knew Debbie Holden from Poly High School and remember having so many good times with all the friends she had. Sorry I lost touch; the years just seem to fly by. So sad to hear she passed.

“ I went to school with Debbie and I remember her laughter and how tiny she was. Our parents were friends as well. Lost track after high school. May she rest in peace. Beth

“ I will always be thankful to Debbie for her friendship. When i went into the Army in 68 Debbie wrote me many times and sent me pumpkin seeds to enjoy while i read about all the latest happenings back home. She always had a huge smile and seemed to be very happy and i don't think she would let on if for some reason she was having a challenge. We were able to get together about 5 yrs. ago to attend a re-union and catch up on our lives. I would run into Debbie at Stater Bros. about once a year and quickly try to catch up. The last time i saw her i told her thank you for the incredible summer in Arrowhead and we laughed over some of the memories. I am a better person for having known her.

“ *Happy memories spent at the Holdens' Lake Arrowhead cabin in the summer of '69 where Debbie and I rode her horses & I learned how to water ski with Debbie driving the boat! She was always so much fun & I will cherish these wonderful memories of Debbie.*
