“ *I'll always remember Derrek as a nice guy who was also a big dork. He introduced me to Ska music and Zelda. He was always one of the boys. One look and you knew those guys would be friends for life. Thank you for the chapter in our life. May you not suffer any longer and I am so sorry.*

“ *My memory of Derrek was how sweet and innocent he always was. Plus, he had great qualities that needed to be shared with the world. He was smart with technology, kind, always looking to do better. I always loved his funny post of himself and his beautiful black cats. He never ever asked for anything, then one day he posted a picture wearing torn shoes. So I went to visit him the next day and bought him a new pair of shoes. He was so sweet and grateful, that I wanted to cry after I dropped him off at his place. He was always such a great kid. My heart breaks that you're not here on this earth with us anymore. You are going to be missed by so many who love you especially your Mom and brothers. Rest in peace my sweet Derrek, Love you kid*
