“ *Memories fill the gaps of despair. I look all around, but you're not there. As time passes by, your character wanders, much just like the moment you left me to ponder. Questions arise throughout the community. Like why did you leave us and miss out on daily activities? Now I am starting to go through some changes. Ones that require a solid decision. I am too frightened to do this alone. Mama I need you, more than you know.*

“ *It's almost been a year since you've passed and I still think you will give me a call to say hi. I miss you my friend and will never forget you. Thank you for being there for me through the years and being a "second" mom to my boys. Love you forever.*

“ *I cannot imagine life without you and your encouraging words, hugs, and your vigorous smile and love. We miss you so much already. Knowing you are in God's presence in eternal peace is what is comforting as well as the beautiful memories we will always cherish. You touched our lives immensely. May God comfort the family in this tragic loss of such a wonderful lady. We will love you always and you will forever be in our hearts, your sis, Sheri and Brian, and your nephew Austin*
