“ I am so very sad to read of the passing of Donnie. My mother, Pamela Sylber, was Donnie's kindergarten teacher at Liberty School. I assisted my mother everyday in the afternoons with her class and that is how I met this most amazing little boy. I have a scrapbook full of pictures from back then and several pages are of Donnie at school, pictures when I took him to Fairmont Park and even a newspaper clipping that Donnie was in. I would like you to have this scrapbook, it is quite amazing. My mother taught for 49 years at Liberty and had so many wonderful children in her classes. However, Donnie was the little boy that melted our hearts with his beautiful smile and his kindness to everyone. I am so sorry for your loss.
