“*Doug and now my sister Theresa Weathers, are both together again. My sister also left this earth far to soon. Her love for Doug was priceless. The honesty and integrity that the two clearly shared is something extremely rare. Doug you being you was a true gift to not only myself, but to Brian and Maggie too. As friend, and a Judge he was always extremely fair. I so love you both.*

“ Doug, Tonight I found myself unable to sleep. My mind wasn't ready to shut down for the night. I was thinking about people, and how so many really do pass through our life. Some just pass on by, some even become fairly good friends for a spell, then they too seem to pass on through. Sometimes I feel like they were doing a certain job, and moved on. Angels? some maybe NOT!! :-). Doug clearly people come and go, but, you are so very different. A rare soul one who touched many special people, in a very special way. Like I said many pass through some stay but I've never met a soul quite like yours. What bugs me, why you? Why not someone, not so full of love and life? It makes me mad, then sad. Doug YOU always made me feel like I mattered. Never once was he arrogant, or did he think he was better than anyone else. My family has been so blessed to have had you in our life. My sister's world lit up, like the Fourth of July that day she met you . T was one happy girl, The few times when you were talking to me about her, my jaw ached. Your love for her just touched me in a way that, I was speechless . T, had all of you, heart and soul. Your eyes spoke volumes. It gave me faith and hope that one day I'll find that too. Doug, thank you for all you have given us all. Maggie just adores you, with our faith I hope and pray we all are reunited. THEN, I'll rub it in !! I was right for ONCE.
