“ I'm so sorry for your loss, it's been along time since I talk to or have seen Ernie. Your family probably won't know or remember me so I asked my niece Lucy and nephew Greg to find him. I was looking at a picture of Ernie and me (Joe Namnam) in my 1947 Mercury. It was along time ago I think we were 19. Again I'm sorry to you and your family and will be praying that God keeps them strong. Take care Joe Namnam
