“ Esther Martinez is my mother in law, I met her 34 years ago, I am married to her son big Mike even though she was his step Mother she treat all of us as her own, there was never a time that she stated that any of her children were step. Children. Esther loved hard and she took me in with open arms as her daughter in law. What a awesome Wife, Mother, Mother in law, Sister, Aunt, friend and most but not least a Grandmother. she was simply there for everyone she came across; I will never forget all of our beautiful memories that we had shared together. We were so very blessed by God to had such a big hearted beautiful Woman of God. I Will always keep you close to my heart. Thank you for being in my life. I will miss you very much. I love you.
