“ My mother was the light in a dark room, she spoke loud and laughed even louder. If you knew her then you have stories of her personality. She was unapologetically herself always and there was no snuffing her light. She was the center of attention and loved to hug people. She always told people I was her baby as I'm the youngest. She loved to embarrass me with things she knew i was not into. She was my friend as well as my mother, we got along extremely very and I ensured her last years were as happy and comfortable as I could. She was my biggest cheerleader and always celebrated my accomplishments. She loved life and loved others. If you came around you knew what she needed a hug and a smile. The last few years she had some falls but she was an awesome patient and treated all the staff with kindness and respect. She was very loved. She loved deeply and fiercely. Her famous tag line was  
Have a great day

“ I had the good fortune of meeting Eva at Riverside Community Care and Rehabilitation, where she shared a room with my mother. Eva was always kind and upbeat, making my mom's stay easier for all of us. After my mom was discharged, we kept in touch. Eva remained cheerful and always offered words of encouragement. We were heartbroken to hear of her passing. She was a very special lady, and we will miss her dearly.

“ My dear friend Eva, whom I met through square dancing, was a light in my life during a very difficult time. She will always be in my heart. I send my love and blessings to her, her family, and all the friends she made while here. God speed, Eva.

I knew Eva from Diane Grego bringing her to church services and our ladies Lutheran missionary group LWML. She was a kind and sweet soul who always had a happy smile in her voice. After she couldn't come to church, she remained faithful making her reminder calls to us, with that cheerful announcement she'd make.

May God bring her family and friends comfort knowing our Faithful God has welcomed her in to His loving arms.

Good night Eva... ;)
