“ My hubby was such a loving man! There was a side of him that nobody saw. He was funny, caring, and very opinionated. Loved his family and would do anything for them. I miss him so much , but I know he is at peace.The one and only Frank Dominguez Jr. You will be missed forever till the end of my time.

“ *Frankie as I called you. We were married a long time and things didn't work out for us. I want you to know I would never want anything like this to happen to you. You met someone really nice and she loved you so much just like I did at one time. Please watch over our girls and Sandra to help them get though all of this hurt. May you R.I.P. and be sure to say hi to my mom and dad.*
