# Tribute Wall

“ *David was a real good wrestler and I remember one time we were at my Aunt Kathy's house in the backyard and he got Jacob in a scissor lock and he squeezed him so hard he made him crap his pants it was real funny. You can hear jake farting right before he unloaded.*

“ *Gabriel, I have so many funny stories to share. First you were an awesome cousin. I ❤️ you so much. I'll never forget when you told us the story about Aunt Becky when you let her light that trick lighter and she said you bent my neck and the way you wore the football helmet in the van like you were one of Jerry's kids. My kids loved you so much they all have funny stories. You made us all laugh so much. I'm really going to miss you. Losing you is really a hard one but I have faith and believe that one day when the Lord calls me home I'll see you again. We will never forget you and I'm sure we will be telling these stories forever. I ❤️ you.*
