“ *Another Lion of Riverside passes. G.W. helped my research in writing "The Riverside National Cemetery: A Field of Warriors." He lived so much Riverside history. Always fun to talk to G.W.*

“ *My mom (Jean Kappler) and I (Kathy Kappler Sugarman) are deeply saddened to hear of Gay's passing. He was a good friend and boss to my father, Frank Kappler, and was the first person to come to our house when he passed away 37 yrs ago. Our deepest sympathy.....God Bless.*

“ GW was one of the most interesting and smartest men I have had the pleasure to have known. He did so many things for Riverside and always helping others. A great loss for all who knew him. You will be greatly missed.

“ GW's contributions to our community can not be overstated. He was a positive influence in my life, as he certainly was to hundreds, if not thousands of others. He will be missed by all who knew him.

“ GW was full of energy for every project near to his heart. Great to work with, and if he trusted you he would listen, whether he agreed with you or not.
