“ I miss my brother in law very much. Think of him often. Raise a salute to him on his birthday and every holiday. He was the holiday guy. Such a great Dad too. Love you Kid. I raise a shot of whiskey today in your memory. Salante!

“ So here I am now in the world without you Jerry. You were such an inspiration to me. Your wisdom and guidance always led me in the right direction, but I may be lost now. I LOVE seeing your face and soul at this site and in my heart. I'm not quite sure why we connected so quickly, but it was wonderful, and serendipitous, six degrees of separation. I'm sure your wife and children have these same feelings. I'll see you in heaven I'M sure. Love you forever, Walt

“ Hello Jerry and Patricia, and all Jerry's family! am Walter Large, I hope you receive this message Patricia and YES Jerry in heaven. Jerry was my supervisor at our work. I started working in 2011 ,but met Jerry in early 2012. I met him on a Monday night and immediatly felt his warm soul. It was like he was my brother,my uncle ,my father, my son. I'am sure Jerry had this effect on many. For me it showed pure love of mankind and peace. I may be out of space here, so I will close with saying, I will live life the rest of my life loving you Jerry and your family with your beautiful wife Patricia .Dustin,I have been thru this all too. Jerry always spoke highly of you and told me he loved you with all his heart. Keep being a good soul as your dad always was and is.My own brother died from cancer on 12/07/15 in my arms a day before my brother Jerry. I loved Jerry like a close brother.Your not alone, My other close bothers and sisters have passed now, Glen Frey , David Bowie, Natalie Cole.Stay strong all of you, I will keep in all of my prayers.

Our hearts are sad for your family, and truly had no idea that this had even happened, or we'd of offered our loving company/sitter services a hell of alot sooner! Although I didnt really know your dad, I know how much he meant to you all, and we will be praying for peace for his spirit, that undoubtedly will watch over all of you he loved for all time.
