“ I am so proud to be your granddaughter and to share a birthday with you!! I can't think of anyone else I would rather share my special day with. I will always think of you on May 15. Some of my fondest childhood memories are of spending time at your house working in the garden and walking to and from the store. I loved our picnics near the train tracks and sliding down the cellar door. You had such spice and energy, we should all have your strong will and tenacity so we live to be 101. After three years I'm still thinking of you always Nana. Love you more

“ It was such an honor to be your granddaughter. I will never forget entering your house through the back porch and always finding cookies to eat and red punch to drink. You lived a long, wonderful life because you always had such a passion for life and enormous strength. I will never forget being loved by you and how much you have touched my life. Love you more, Nana!

“ Nana. Wife, Mother, Grandmother, Great-grandmother, and Great-great-grandmother. Just a few words for a strong and beautiful woman who met her Lord on January 11, 2017. Born on a mountain top in Tenn and moved to California in 1921. Feisty and loving , her stories will be remembered by all her knew her and all her family. We will shed no tears because you are with your Heavenly Father. We will always remember you and we will always "love you more."

“ Although we knew she couldn't stay with us forever, Nana will always live on in our hearts. I'm so happy that she was able to spend such a long fulfilling life here with all of us. I can only hope that one day I am filled with as much life as she was. Nana will truly be missed. Eli and I love you, Nana!
