“Punky, we loved you so much and hope that you have finally found the peace you needed. You would be so proud of your wife, Rita. She is everything you always told us she was and has worked so hard to make sure to give you a dignified funeral and service. And your daughters...you were such a rich man! Geisha, Lili and Zoe just had a sleepover with us and brought us such joy. When we see Zoe especially, we see you and all the best of you. When you helped us move in to our new house you told us you hoped to one day have such a home. You now reside in the Lord's home, the grandest home of all. We love you always, Uncle Ray, Aunt Nancy, Kevin, Chrissie and Rayna
