BK

I met Glen in first grade and he was on every basketball team I played on through high school. He was the consummate selfless player and the absolute best team mate I ever had.

I always knew that Glen would be there when I needed to get rid of the ball, and I'm sure he was there for everyone who needed him for anything else.

I was blessed to see him one last time after more than 40 years, saw and felt his struggle, and am glad he has been released from it.

I never knew him well, but I will miss him and I hope he is safely on his way.

My heart goes out to his family and close friends.
