“ My deepest condolences to my Uncle Rudy and all my cousins and all their families. There are Never enough words to describe how special my Aunt Thencha was, is and forever be to me. In my 54 years of life I have met no other women like her. Growing up she opened her home to me and always allowing me to spend the night in which turned into days on end and maybe even weeks. Her heart so loving to me always. My fondest memory of my Aunt was when she would see my wild hair and would be have a cluster of knot's and she would sit with patients for hours taking all my tangles out with such loved and held patience. I knew then , she loved me and I know she will help and love me from the heavens and continue to keep helping me to be the woman I should be. I Love you and all of us do! Until we met again in paradise, rest in Peace, Aunt Thencha.
