“ Jimmy Jet... truly one of the kindest, caring, sincere, faithful, loyal, loving person I am glad, no honored to have been a friend of his. He loved his family and his country with his whole heart. I never heard him complain, not even once about this last hand life dealt him, only concern for Mary and his family. I am glad I also got to work both with and for him and I learned a lot from him. I miss his quick smile and sense of humor. My thoughts and prayers are with Mary and his family at this time of loss.

“ With deepest sympathy to the Thornell family. I already miss our golf outings which consisted of a few beers and a bottle of Jack. It's comforting to know Jim is at peace.
