“ I am sorry about Jean. There is never a good time to lose a parent. She looks lovely in her picture. I have been trying to research graduates of St. John the Evangelist School in Greece, NY, and recognized the name of Jean, who graduated in 1941, and then from Nazareth Academy and Nazareth College-all also my schools and alma maters. Still accumulating pictures and student ID's for St. John's. (I'm from the class of 1961)
