“ I spoke to John when I asked him if he would like the bronze shoes he earned as an All-Ohio football player from Marion Catholic. He was so grateful that they were preserved. My prayers go out to the family of this very good man.

“ Johannes played football like he was 6'3' and 250 lbs. His desire to do well and succeed was obvious to all his team mates and it set an example that I personally will never forget. I think of him whenever I face a difficult task or decision. He's a great inspiration for all of us.

“ Remember taking food and clothes to the family out east of town. John was always smiling and grateful for all the help.
