“ Not a day goes by that I don't think about you. You touched my life in such a way even I don't understand. I am thankful for knowing you and being your forever friend. I will always have a special place in my heart for you. Until we meet again Tony.

“ To my loving brother, I will never get over the hurt I feel not having you with us here but I take comfort in knowing that you are in a much better place. I will keep you in my heart everyday and I promise to never forget the person you were to me and everyone else who loves you. I miss you so much. Your loving brother, Fred
