“ Since the first day I (Grace) met Juan I knew that God had put him in my life to love him and cherish all the good memories we have created together. Juan taught me how to live life to the fullest, we always went where ever he wanted to go, like we went to the lakes, to LA to the swat meets, our favorite thing to do, places I never had been to. At first I didn't know much of his family but living in El paso, Texas with him, I got to know his mother Antonia, and more of his family. Which I deeply care of all of them. Juan is the love of my life and I know one day we will be reunited together. My condolences to all the family and may my love go in peace.
