“ During my sophomore year at UCR, I became disabled after having a brain tumor removed. My physicians told me that I would never graduate. June O'Connor was patient with me while I was completing my degree in Religious Studies. Her teaching helped me to both graduate from UCR and also to earn an M.A. from Claremont School of Theology.

“ As a person new to the Inland Empire, I encountered June in my work in Communications for the Diocese of San Bernardino. June hosted a weekly radio program in Riverside and sitting with her at the microphone and telephone, listening, talking, asking questions, in dialogue with guests gave me awesome insights into this wonderful person. She was, indeed, a bright light for so many! Such grace continues through all who knew her and were blessed by her.

“ Thanks be to God for June's life and how she blessed us. She was a mentor and friend and yes, better Mother to my Daughter, Leslie during the undergrad years at UCR. We should all be so blessed to have such a person in our lives. Sweet Rest for you, June - you are already there.

“ Deepest condolences to family and friends, and community. June has always been a gift of God's loving grace. In mourning, I remain ever grateful for her life, her mentorship, her friendship, and for her deeply felt compassion. If she could be with us now, I suspect that she would lovingly wipe away the tears and urge us onward. Deo gratias.
