“ Kathryn was my first fiend when I moved to South Bend we went to church together and were in rainbow girls together. I remember being all dressed up in formal gowns and long gloves and riding around town in her convertible with the top down in the middle of winter Nothing but fond memories! It was the best of times! Hoping to be reunited in heaven.

“ To don and the boys I do not want to say sorry for your loss because when you loose something you do not know where it is. We know Kathy is in Heaven. May you take comfort in knowing that she is in her heavenly home. Just want to share one memory: Kathy and I were members of RAinbow Girls in High School it was part of Eastern Star for women and the Mason's for men. After the meetings we would be dressed in formal wear and Kathy would drive us "down the strip" in the middle of winter in the convertible with the top down and the heater on full blast! Don I remember your wedding well as it was my father whom married you- reverend collier My sister hope sends her prayers and love too.

“ I had the honor of meeting Kathy. She was a warm and caring woman. She made you feel comfortable, like you already knew her. My heart is heavy for the family, she was taken too soon.

“ We are so sorry for your loss. Kathy was the nicest and most thoughtful person. Working with her, she was always helpful, always remembered your birthday and always gave of herself to others. No matter how your day was going she was always there to cheer you up or try to make it better for you. Will miss you Kathy very much! You were one of the special people God gave us to make the world a nicer place!
