“ *When I met Kelli at Benton Jr. High she was quick with a smile and walked with a purpose, we shared laughs, dreams, travels, loves, heartaches and too many wonderful memories to count. Kelli was someone you always wanted on your team and I was lucky enough to have her on mine for awhile. She was blessed with beauty inside and out. You knew she was intelligent but she never talked down to anyone. And when she loved she loved deeply. May God keep you in his embrace sweet Kelli.*
