“ Ken was a good and kind man. I met him first as a judge when I tried a case in front of him in the 1990's and he impressed me with his extraordinary skill set and sense of fairness. Later, we became friends, and he frequently came to my indoor cycling class and my wife's yoga class at the YMCA, at about age 90. Very special.

“ Ken Andreen's passing is a sad day for all who have known him. Lynn and I have known Patty and Ken for years, have been neighbors here in Avila Beach and I've tried cases in his courtroom long ago. He was one of the kindest people one could ever hope to meet. The twinkle in his eyes was something to behold. His gift for story telling was remarkable and spell binding. His sense of justice made him one of the finest jurists in our great State which he so dearly loved. I last saw him a couple of years ago as he was just starting to slip. He was still oriented and recognized my wife and I. He told me that his marriage to Patty was the greatest thing that happened to him in this life. I will always cherish the memories of this fine gentleman, a true blue Californian.

“ He was my uncle I remember going on hikes with him in Yosemite. We had wonderful times on holidays, and at the cabin. I know my brother Norman Andreen and I will miss him. He is now at peace with his two brothers and parents. Bless you.

“ Kristi and Craig, I fondly look back at the times our families shared at the cabin. We explored, fished, hiked, kayaked, skied, and played cards! Our dads used the cabin as a training ground to teach us many lessons and in hindsight I think they had a lot of fun themselves. Rest in peace, Uncle Ken. I imagine you floating down the Truckee for eternity.
