“ Ooh baby, I love your way (everyday) Peter Frampton One of your favorites if I remember of years gone past. You were the girl that always kept us laughing and making sure everyone was having a good time. We all had so much fun for not really ever doing anything illegal back in our day. Through the years you were never forgotten nor will be in the future. Heaven is a more joyous place now with you, while the world has lost someone so very special with the people you have touched.

“ So very sad to hear of Kristy's passing. I will never forget my first roommate and all the fun memories in the LJS years. Wish we hadn't lost contact and had known you were sick. Rest in Peace.Marna

“ So sorry to hear of Kristy's passing. We had lost touch over the years, but I remember a lot of good times with her in our younger days. Wish I had known that she was ill. Rest in peace Kristy. - John Duffy, Chino Hills, CA

“ Thank you for all the fun that I had because of you. Even though we haven't seen each other in years the memories I have will stay with me till we meet again. I didn't know you were sick, I'm so sorry we didn't get to see each other again.
