“ *To be able to touch as many people as you have without ever having to physically meet them is such a wonderful thing to have in these times. Kind hearts like yours are becoming rare. We lost another one but what you left behind has touched everyone that has ever been blessed enough to meet you. In game or in person. You will truly be missed Aselin. -Matokoto/Chiisaku*

“ It saddens me to hear that such a genuinely nice person has left us. He was always helpful to others and kind to a fault; I wish there was more support we could have given him as he has given to many others. I will treasure the time we've had in the many games we've played Aselin, may we meet again somewhere beyond. =Aznmajiktaru
