“ Just happened to come across her passing. I send my thoughts and prayers to her family and friends. I literally was telling my second graders in my classroom that if it wasn't for her teaching me how to type at Notre Dame in 1984 (Graduated in 1986), I would not be able to do the same for them. They love how you can type and not look at the keyboard...she was strict on this and glad I had an opportunity to be under her direction...very wonderful person.

“ Dear Mary and Tim, Sending hugs and love to you both. I will always remember Thanksgiving, Christmas, and Easter dinners, your mother's patience teaching many Notre Dame Titans the keyboard and the mischief the four of managed to find. much love, Carla Benchoff
