“ Dear Louis, Son and Lee. My deepest condolences to you all at the loss of your wife and mother. We lived in the duplexes right behind your house. I remember going over to Lili's as a child, with Toni and Huey to play with Son, we always had so much fun. Lili always had a way of making you feel right at home. She and Louis became godparents to my brothers, Ralph and Richard. I have some of my best childhood memories of her and her family. May the Lord grant you peace.

“ This world will never know another soul like Lili Gomez. She was an amazing woman, friend, aunt and mother whose kindness, care and love could not be measured. I have this great woman to thank for so much of my life lessons and the true expression of compassion. It is with a very heavy heart I now must say goodbye, but I take comfort knowing that she is at peace and surrounded by more love and joy than this world could offer her. I will always love you Lili and you will always remain, never forgotten in my heart...

“ I had the opportunity of knowing Lili as a child growing up in San Bernardino. She was our neighbor and when I think of her and the family, so many precious childhood memories come flooding back. Me, Huey, Son and Lee had a great time playing at their house for many years. I remember their cookie jar was always full and we were never bored. Their home was always open to us and I will always remember her smile and gentle loving ways. My regret is that I never went to go see her before she left this earth. So until we meet again, Rest in Peace Lili and thank you for being the wonderful woman and close friend to my Mama, Dora Gasca. Love you, Toni
