

Linda Sue McGinty Bobo

August 21, 1948 - December 23, 2025

Linda Sue McGinty Bobo passed away peacefully on December 23, 2025, in Riverside, California, surrounded by the love of her family.

Linda was the fifth of six children born to Hugh and Ruthie McGinty, who instilled in her the values of hard work, devotion, and kindness that defined her life. She dedicated more than 30 years of service to the University of California where she worked as a Management Services Officer. Linda was deeply proud of her career and the accomplishments she achieved through years of commitment, integrity, and professionalism.

Above all else, Linda was devoted to her family. She was a loving mother to two sons and three daughters (two were through marriage), with whom she shared a particularly close and meaningful bond. Her love extended generously to her six grandchildren and three great-grandchildren, each of whom held a special place in her heart. She delighted in being part of their lives and cherished every moment spent with them.

Linda was also affectionately known as “Favorite Aunt Linda” to her nieces and nephews, a title she wore with pride and lived up to through her warmth, humor, and unwavering support.

When she wasn't spending time with family, Linda found joy in sewing, especially creating beautiful quilts that became treasured keepsakes. She was an avid reader and also very proud of her travels to Japan and China, experiences she spoke of fondly and remembered with great joy. Known for her kind heart, generosity, and playful sense of humor, Linda loved to tease

those around her and brought laughter wherever she went.

Per Linda's request, there will be no funeral. Her family encourages those who wish to honor her memory to do so by spending time with loved ones, sharing a laugh, or creating something with care, just as Linda did throughout her life. Linda Sue McGinty Bobo leaves behind a legacy of love, dedication, and joy. She will be deeply missed and forever remembered by all who were fortunate enough to know and love her.

“ My Aunt Linda was like a big sister to me and my siblings. She was 5 years old than me, she was a mentor thru years of 4H, sewing, and growing up in 60s. She got us thru haircuts, ear piercing and all the teenage stuff. We all loved Elvis together. In recent years we talked and texted often to keep up. She leaves behind so many loved ones and will be missed deeply. I will miss her for the rest of my life. Sincerely, Shirlyn Jasper
