“ *Louie was one of the kindest and most generous people I have ever met. His love for family and friends knew no bounds. He was wonderful to me from the first moment I joined the Johnson family 34 years ago and I will never forget the fun times we had playing horse shoes at Doheny or celebrating Thanksgiving at Newport Bay. His love and friendship for my in-laws particularly through thick and thin in his last years showed me what a great man he truly was, no judgement, only his undying support. Rest in peace. “ It truly was an honor and a privilege to first meet and then get to know Louie and his family over the many years that Deb and I visited California. He was one of the most generous and welcoming people I have known. Louie and Donny may have been merely acquaintances from across the seas but I feel that in a small way I have lost members of my family. Because that is the way they both made you feel. Just like family. We will truly miss them. Deb and Pete Watson Queensland Australia
