

Maria Luisa Areas

May 11, 1928 - March 20, 2026

Maria Luisa lived a life centered on family, tradition, and faith. She was a steadfast mother, grandmother, and great-grandmother who cherished and dedicated herself to the people she loved. She found meaning in the everyday — in simple routines, quiet moments, and the bonds she built and kept over a lifetime. Her presence was a constant, and her devotion to family was the defining thread of her life. In lieu of flowers the family is asking for monetary donations for Roberto.
