“ I remember Marilyn coming to pick up Isaiah from my class when he was in kindergarten. I know she will be missed by many people..but I also know she will always be with those she loved through the memories she leaves in their hearts. My prayers are with you all.

“ I met Marilyn one day at church during VBS. You didn't have to know Marilyn well or for a long time to feel this ladies warmth and love. She had a spark of light, kindness, and a smile that made you feel you had been friends for ever.. you will be thought of frequently, talked about often, missed like crazy and forever loved!

“ I was on The Fremont staff along with Marilyn the first eight years of my teaching career beginning 1986. A zing zaps my heart when I see her picture now. She always had a twinkle in her eye and I can hear the laugh in her voice now. I am sad. Sending Love in Light,kz

“ I was privileged to work with Marilyn most, if not all, of her teaching career, first at Fremont and then at Beatty. She was a fabulous teacher and you could see her love for her students in everything she did. She touched hundreds of lives. She will be missed.
