“Marilyn was good friends with my parents and she did their taxes too. My dad used to make her rum cakes and take them to her. I had her do our taxes until she retired. I didn't know she passed but I'm sure she is with my mom and dad. RIP dear Marilyn

“Marilyn took over my father, Richard Scott's tax clients when he could no longer handle them. He thought the world of her. I was one of those clients and appreciated her excellence and kindness. Rest in peace.

“When I was a boy age 12 or 13, my late Auntie Buddine Fredericks was close friends with Ves, and we moved into a home right next to Ves and Auntie in Riverside (I think Ves owned the house we moved into) moving from North Dakota to Calif. Ves treated us 7 kids and my mother like her own family until we returned to ND within 2 years after arriving to Riverside Cali. She was a wonderful person and I've always wanted to thank her for all she did for us during that time, but unfortunately never got the chance. God bless her. From the Fredericks family.

“ I just learned yesterday (September 14, 2017) of Marilyn's passing in June of this year. She and I worked together at Sherman Indian High School back in the seventies. I reported to her directly for a period of time. As a person at the beginning of my career, I can't overestimate the value of her maturity, direction, and overall guidance to my career path and growth. Her wisdom and professionalism were unmatched. I will always remember her with great appreciation and immense gratitude. God bless her soul, R. (Scott) Reed, Los Angeles.

“ God loved the world so much that he provided his son as a Ransom for all of us, in doing so may you find comfort in those words and continue to exercise faith in this stressful time with a promise of everlasting life for our dearly departed ones. John 3:16,19. My condolences to the Vesely family. Jerry
