“ *I Love You Dad, and Miss you so much, I miss all our talks about everything and anything and all the time we were given to spend together, my home is empty without you here though my heart remains full because you were. You have made all the difference in my life and have been the greatest Loving Father and Friend to me throughout all these years. You have been the Best and Most Wonderful Loving Grandfather and Great-Grandfather to all of the children there could possibly be, always letting them know how important they were to you and how Important Family is to all of us. You have Loved Family and Friend unconditionally, always without exception or bias setting an example for us to Follow. We will all miss your Smile, your Cards and Letters, timely gifts of Love, Generosity, and your Example of Faithfully and Courageously Walking and Trusting Jesus one step at a time when the road is easy and when the road is rough. I Love You Dad and I look forward to that time when I see you again!*

“ *Marvin was one of the kindest and gentlest men I've known. Always spoke as Christ wanted us to, with love and concern. Will miss our phone calls and cards and hearing his voice.*
