“First and foremost,  
Our family and I would like to send our deepest condolences to your family. There are no words that can say how much our heart is aching for all of you. Mike was a great friend, compadre, and brother to our family. We will keep the memories of him and Andy every Friday night at the house listening to oldies having a brewski. Mike's beautiful smile and his willingness to help everyone will greatly be missed by all by us and everyone who knew him. May God rest his soul.

“ Although he was just in my life for a year, could talk to him about anything. He always gave me good advice and opened my eyes to a different way of thinking. I love you Uncle Mike, may you rest peacefully.

“ Mike & I met riding our tricycles. We became life long friends. Eating fresh tortillas that Alpha made, watching the trains rumble by on Mary Street. Mike was best man at my wedding. My wife Terre and I valued our friendship with Mike & Mary all these years, we always kept in touch. It was wonderful to see how he valued his family, his friends and his faith.

To Mary & family: We are so sorry and we share in the pain of losing Mike. Please know that we will always carry his memory for all our days. Peace be with you all. -Jeff & Terre and the boys
