“ *Michael, It is with a heavy heart that we say goodbye for now. Even though our paths have not crossed for sometime, I still remember the boy you once were, and am told of the loving, caring and brave man you turned out to be. It is truly an honor to read about your distinguished Marine Corps service career, serving our country in Iraq. You are a true American hero. May the wind be at your back, may the sun always shine down upon you. Peace be with you cousin. God bless.....Dear Maggie, Sergio, Melissa, Vicky and Amerie, May loving memories of Michael bring you peace, comfort and strength now, and always. With love, cousin Doug*
