“ I last saw you as a little girl with a golden smile. I'm glad you continued to spread that around.

“ You were my right hand when you were in my unit. You had so much knowledge in handling claims in such a short period. When I heard that you were going to be moved to another unit, I was sad but also happy for you and others as you would share your knowledge and mentor the newest employees. You will be greatly missed but I will always remember your beautiful smile and spirit. Rest in peace!
