“ I worked with Trish for several years at Kaiser Redwood City where she was my manager. I am so sad to hear about her death. She was a wonderful manager and we hated to see her leave when she moved down south. She was loved by all. I remember her great sense of humor and laughing a lot, which is unusual for most managers! My thoughts and prayers are with her family.

“ Trish was a beautiful person, inside & out. She loved Jesus her Savior & loved people. She had a quiet,lyrical way of speaking. She was always upbeat in her outlook on life, no matter that physically life became difficult with her health problems. I saw this as directly attributable to her faith in God, resting in His ultimate good for her & all people - she wanted all to know the hope that sustained her. She was a good friend to all who were blessed to know her. 2 Timothy 1:9-10 "[Jesus]...has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace which was granted us in Christ Jesus from all eternity, but now has been revealed by the appearing of our Savior Christ Jesus, who abolished death and brought life and immortality to light through the gospel..."
